PRIDE PROPOSALS

Pride program proposals are due 60 days before your first planned event. All Pride chairs should contact their local President with plans for the upcoming school year. Now is the time to write up those great ideas. Contact the Region 5 UniServ office if you need help developing your plan.

GET INVOLVED/STAY INVOLVED!

The state legislature is finalizing the state budget and looking at the Governor's tool kit proposals. It is critical that NJEA members establish a constant presence during these turbulent times. Only you can help ensure that our members, students and schools are protected in these challenging times. NJEA is coordinating several opportunities for members to speak up.
